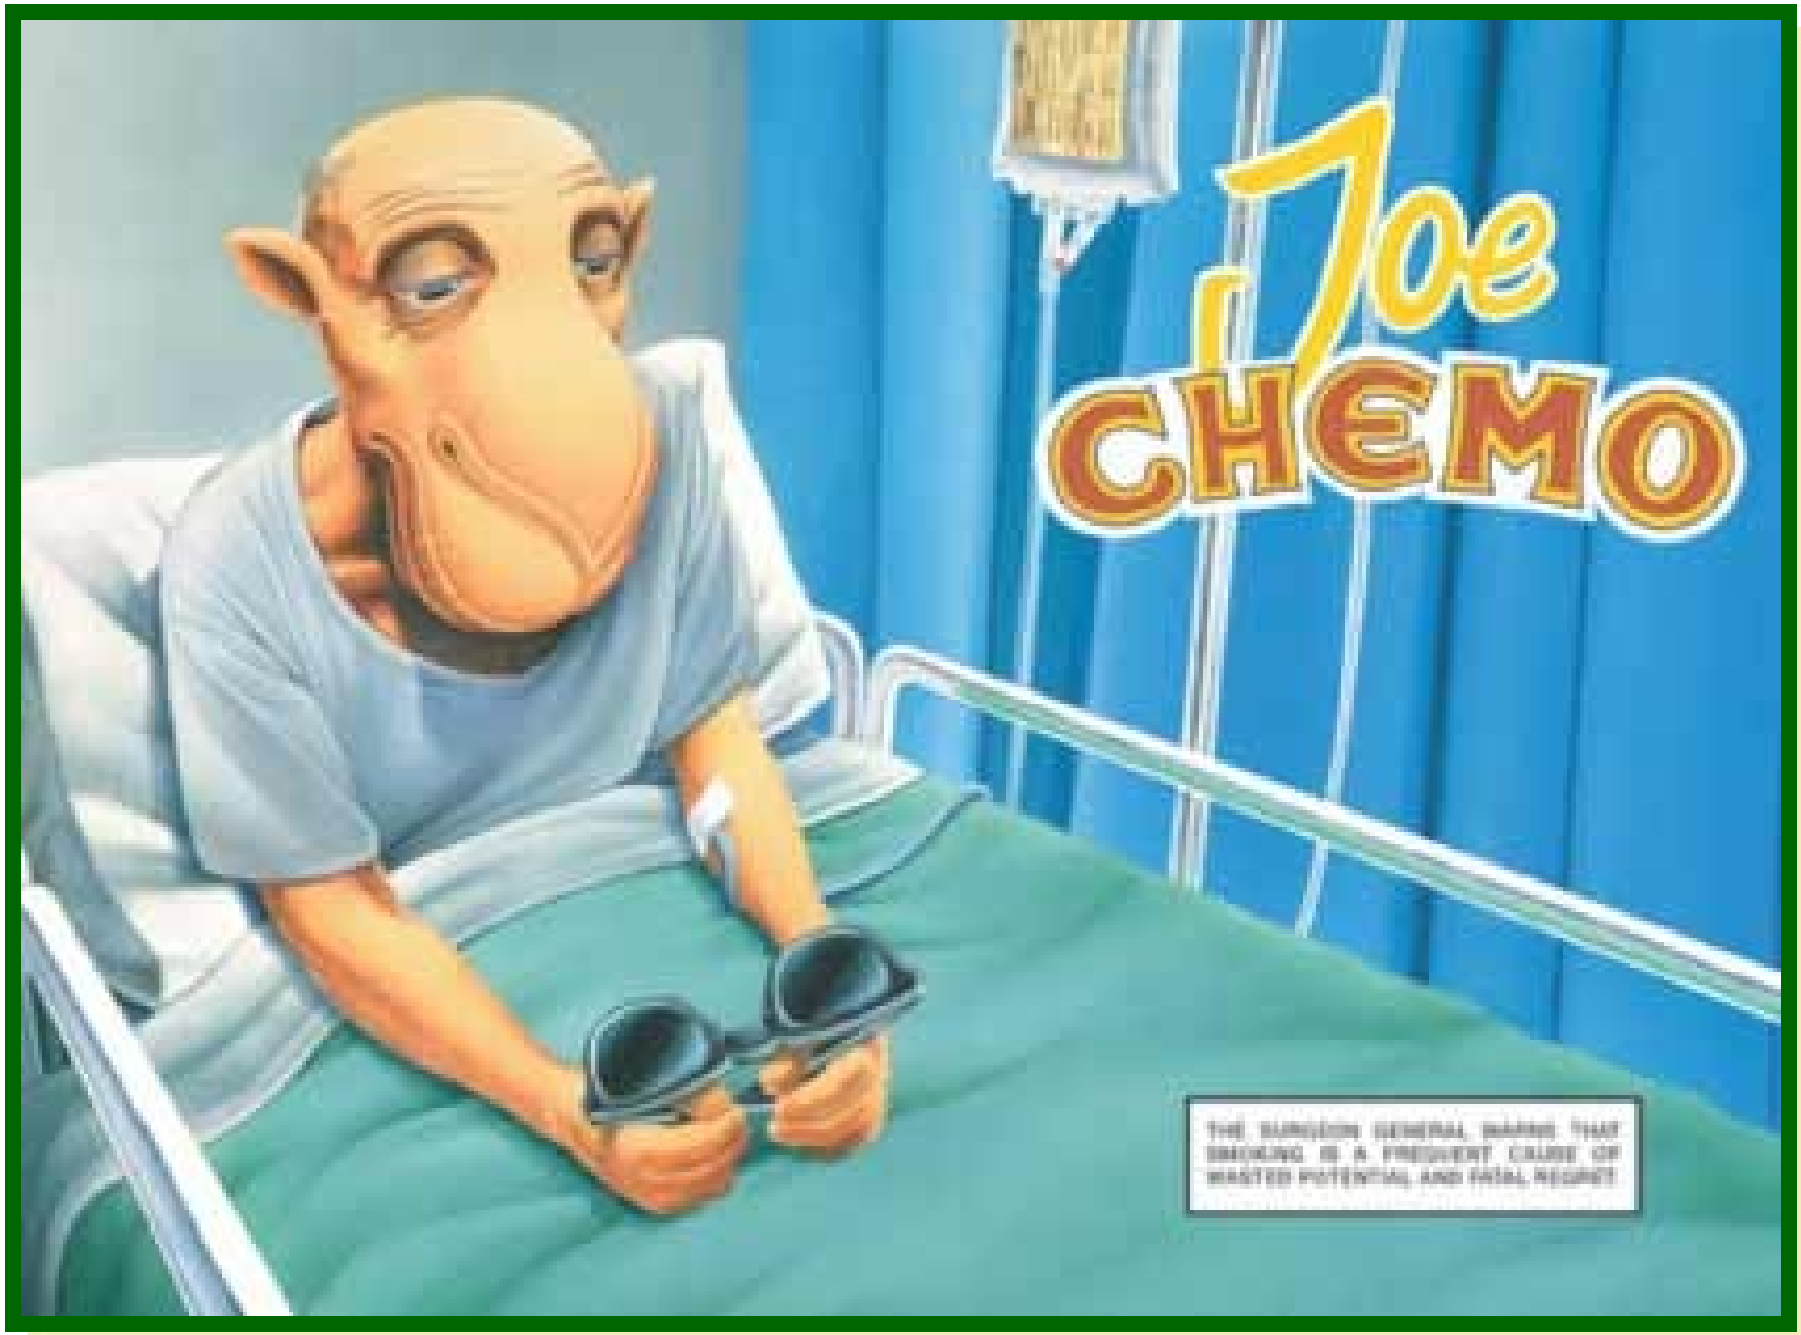
WARNING:

CIGARETTES LEAVE YOU BREATHLESS

Tobacco use causes crippling, often fatal lung diseases such as emphysema.

WARNING: SMOKING CAUSES IMPOTENCE



Joe
CHEMO
THE SURGEON GENERAL WARNS THAT SMOKING IS A FREQUENT CAUSE OF WASTED POTENTIAL AND FATAL REGRET.

I miss my lung, Bob.
WARNING: Cigarette Advertising Makes Smoking Look Cool And Cowboys Look Stupid.

A Smokers Prayer

It was foolish to have started of badness

I don’t know why for sure

I was young and fit and able

Now I only want a cure.

For this habit now it grips me

It holds me in it’s spell

This smoky weed I must deny

I never liked the smell.

My lungs are full

My fingers stained and dark

Lord, free me from this madness

And help me to my mark.

Let me see a future

When the person I will be

Is a calm and healthy figure

With lungs that are “smoke free”.

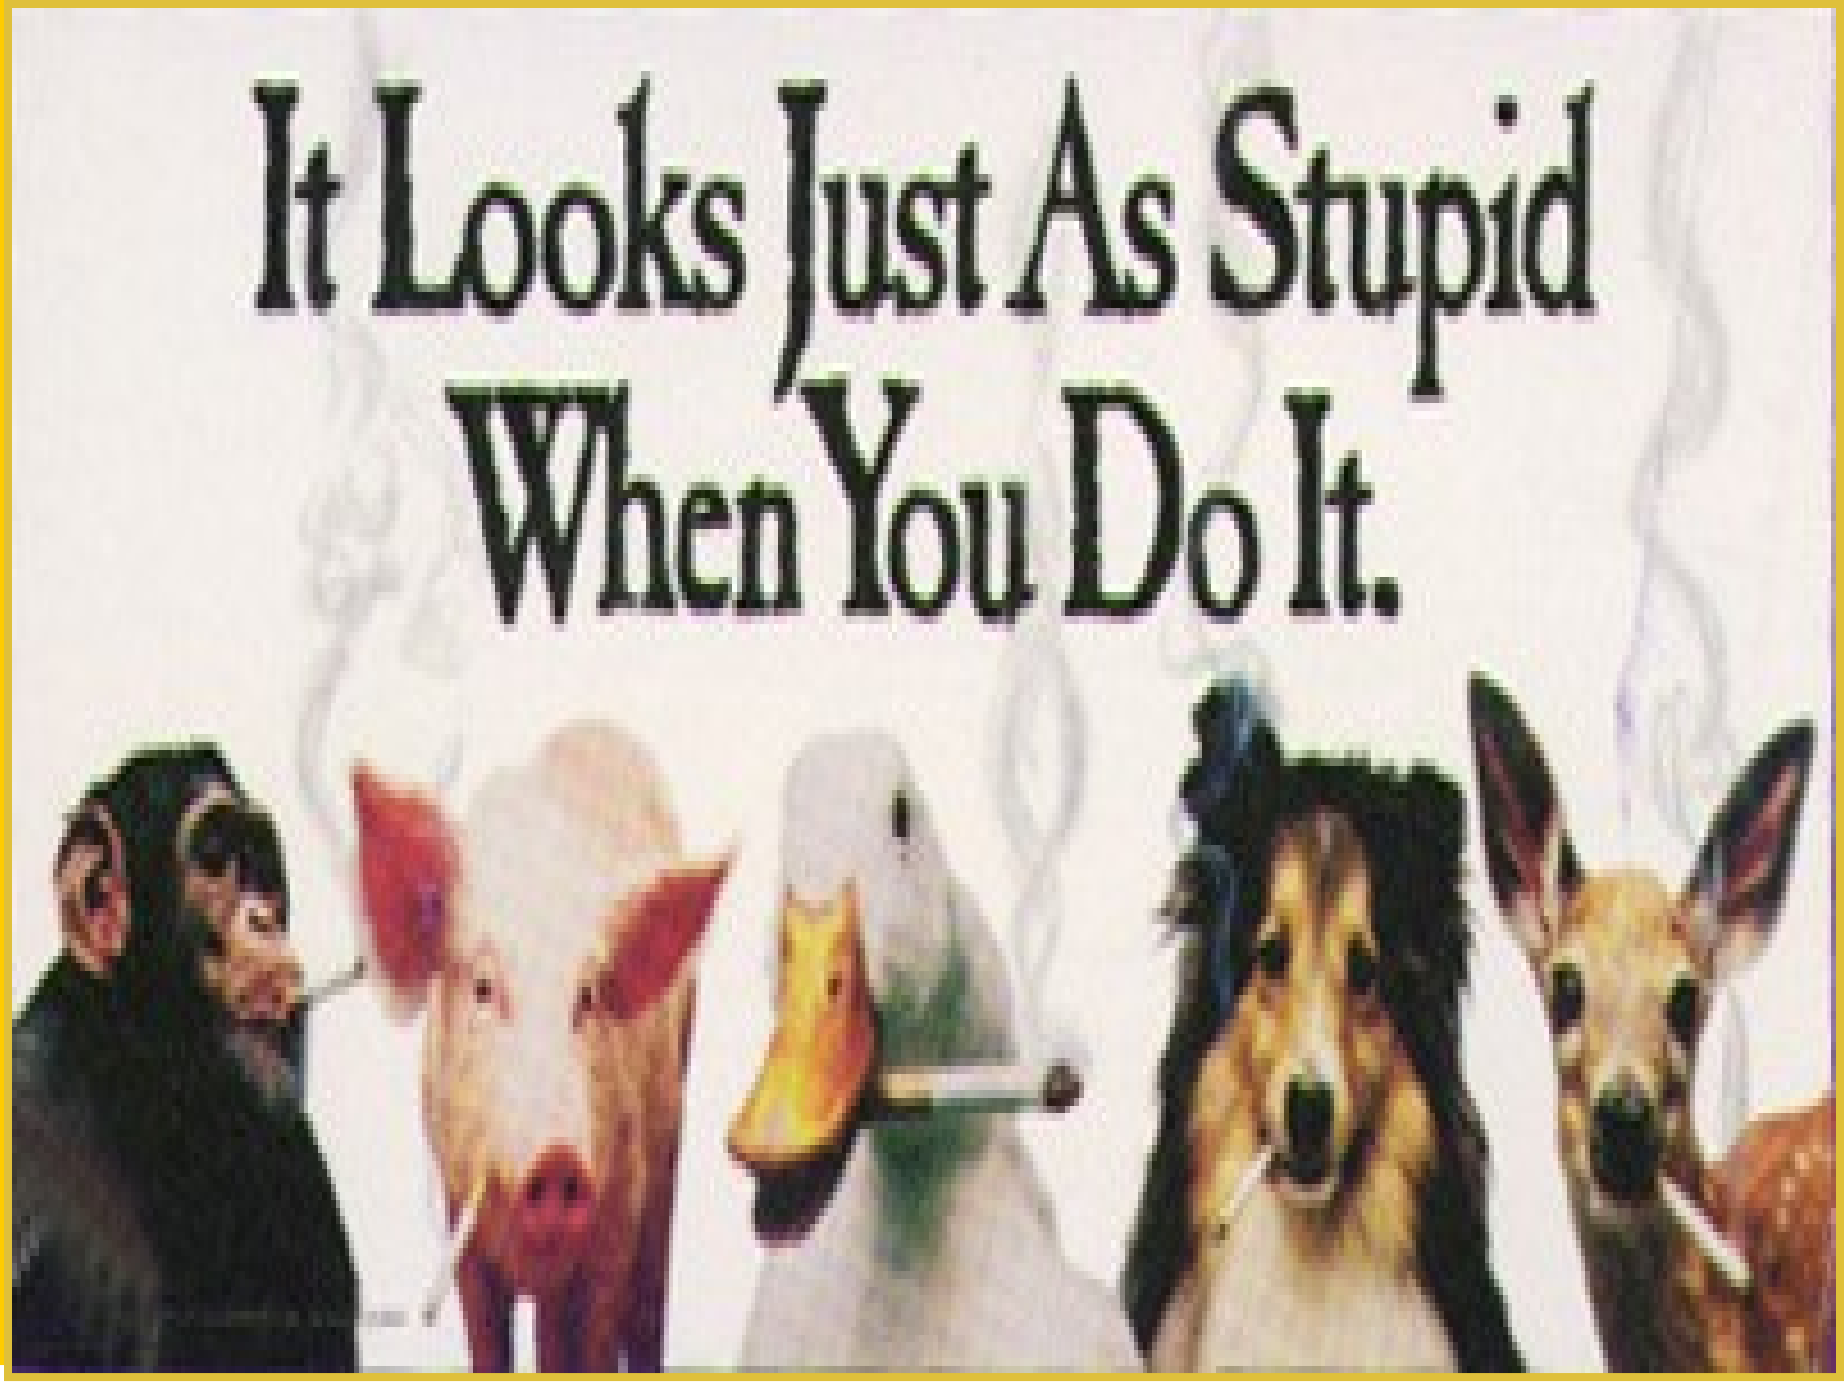
WARNING:

CIGARETTES HURT BABIES

Tobacco use during pregnancy reduces the growth of babies during pregnancy. These smaller babies may not catch up in growth after birth, and the risks of infant illness, disability, and death are increased.

DON’T POISON US

WARNING: Second-hand smoke contains nicotine, carbon monoxide, ammonia, formaldehyde, benzo[a]pyrene and nitrosamines. These chemicals can harm your children.



It Looks Just As Stupid
When You Do It.

To my children,

I don't want you to be sad! Remember me, and forgive me for leaving you so soon. When it's over, mom will just be sleeping.
